Both parts of the biscuit are made with the same dough, based on flour, water, sugar, and spices such as cinnamon and cloves: the dough is prepared, shaped and left to rest for a few days, until the surface has dried completely. Then the biscuits are baked in the oven: the top will become white and hard, while the base, moistened, will be darker, soft, and caramelised, thanks to the sugar dripped from the top. d5ac712093

Scaccia appeared at the end of the seventeenth century and was a staple of peasant tables. In Sicily, the recipe was handed down and expanded according to the culinary voices of the time. In the rural tables of the

Kingdom of Sicily and then Kingdom of the Two Sicilies, this simple recipe was developed based on bread, vegetables and meat, often utilizing the leftovers of a hearty dinner or a recurring lunch. Also known as nucatoli, mustazzoli, scardellini, scardellini, moscardini or paste di garofano, they are prepared on the occasion of the commemoration of the deceased and have the shape of small human bones.
