Massive open online course earn transfer credit at a degree-granting university, or for certificates of completion. In addition to traditional course materials, such as filmed lectures, readings, and problem sets, many MOOCs provide interactive courses with user forums or social media discussions to support community interactions among students, professors, and teaching assistants (TAs), as well as immediate feedback to quick quizzes and assignments. Udem allows teachers to sell online courses, with the course creators A massive open online course (MOOC) or an open online course is an online course aimed at unlimited participation and open access via the Web. MOOCs are a widely researched development in distance education, first introduced in 2008, that emerged as a popular mode of learning in 2012, a year called the "Year of the MOOC" b7e523c8ee
