Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we identified a number of areas for improvement upon the existing learning materials available. At McGraw-Hill, we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor

experience in World Languages. Experience Spanish and experience the world. The result is Experience Spanish. At the same time, students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient and personalized way. Your students are changing. Own the experience. The idea of the “classroom” is changing. Take charge of learning. Affording the flexibility that only an integrated solution can provide, Experience Spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face-to-face, online, or hybrid. With Experience Spanish, instructors can tailor the environment while students tailor the experience, allowing everyone to take ownership of the learning experience. Its groundbreaking adaptive diagnostic and synchronous/asynchronous conversation tools create a 24/7 active language-in-culture environment never possible before. Experience Spanish is a first. With Experience Spanish, your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different

formats are behind you. Technology is changing. Now, the way your students experience Spanish can change as well c9c26c80f0
