New specifications and curriculum reforms saw the Junior Cycle replaced the original Junior Certificate programme (as first introduced in 1992). The revised curriculum was introduced on a gradual phased basis from 2014, and the process was completed in 2022. A Junior Cycle Profile of Achievement is issued to students who have successfully achieved a minimum standard in their Junior Cycle assessments and examinations. 4df6256d42 The main approaches to gifted education are enrichment and acceleration. An enrichment program teaches additional, deeper material, but keeps the student progressing through the curriculum at the same rate as other students. For example, after the gifted students have completed the normal work in the curriculum, an enrichment program might provide them with additional information about a subject. An acceleration program advances the student through the standard curriculum faster than normal. This is normally done by having the students skip one to two grades. 4df6256d42 Education in the United States Education is provided in public and private schools and by individuals through homeschooling.
