Unique and evocative in its content, the book comprises powerful manifestations of magical practice with the forces of the Nightside: dark gods and goddesses, primal energies of the Void, entities residing in the Qliphothic Tree of Death, demons of infernal regions, and spirits from a whole range of traditions. \"Visions of the Nightside\" is a collection of essays, rituals and various expressions of personal gnosis written by members and associates of the Temple of Ascending Flame. Compiled and edited by Asenath Mason, it is a practical research and insight into the magic of the Left Hand Path within the modern context, with contributions from working magicians and initiates of the Draconian Tradition, including Rev Bill Duvendack, Edgar Kerval, Frater Eremor, Selene-Lilith, Febosfer, and many others 472534ba27

This book thoroughly explores this magical tradition, discussing the lore of the Cthulhu Mythos from the perspective of a practitioner, providing applicable methods of work, both for beginners and advanced magicians. The magic of the Necronomicon is based on dreams, visions and transmissions from planes and dimensions beyond the world as we know it, channeled and earthed by sensitive individuals. It presents basic magical concepts and techniques of their practical use within the context of the Necronomicon Gnosis: pacts and ceremonies, astral journeys, dream magic, scrying and travelling through gateways to interstellar dimensions, evocations, invocations, sex magic, self-initiation, shape-shifting, necromancy, the art of sacrifice, and many others 472534ba27

He is the fallen angel of Christian legends, the Devil of witches' Sabbats, one of primal Draconian Gods, Demon Prince of the Air, and Infernal Emperor of old grimoires. The contents include: Light and Darkness in Luciferian Gnosis; The Light Bearer Ritual; Invocation of the Dark Initiator; The Mind of Lucifer; Purifying Fire (The Seed of Luciferian Gnosis); Lord of the Air; Lucifer - The Trickster; The Shadow Companion; Holographic Luciferianism; The Adversarial Current of Lucifer; Invocation of the Adversary; Freedom through Death; Emperor of Shadow and Light; The God of Witchcraft; The Infernal Spirit of Old Grimoires; Masks of Lucifer Ritual. It's a unique publication in the tradition of the Luciferian Gnosis. Edited and compiled by Asenath Mason, the book contains contributions from Rev Bill Duvendack, Edgar Kerval, Daemon Barzai, Cristian Velasco, and Pairika Eva Borowska. Lucifer is the archetype of the Adversary, initiator and guide on the Path of the Nightside. Essays and rituals included here explore both his bright and dark aspects, the face of the Light Bearer and the horned mask of the Devil. The purpose of this book is to delve into his initiatory role on the Draconian Path and in Atlantean magic through chosen masks and manifestations which Lucifer has used over the ages to reveal his presence to mankind, bestowing his blessings on Initiates and scourging the ignorant

Within this grimoire, the Qliphoth 'A'arab Zaraq' (Hebrew AaRB TzRQ) translated as 'Ravens of Dispersion', will be worked with. I believe the title Harab Serapel and its description fully encompass the fiery Intent of the black magician in the role of 'The Burning God' accessing the immense power of the demonic 'Ravens of Dispersion'. I will be referring to this Qliphothic Sphere by both titles throughout this work. This Qliphoth is also known as Harab Serapel, translated as 'Ravens of the Burning God'

You will find here an introduction to his mythology, as well as evocative rituals that will help you explore his gnosis in your personal practice. In this grimoire, written by two experienced magicians and authors, Asenath Mason and Edgar Kerval, this demon king is presented as the Guardian of the Abyss and a being of multiple faces. He is believed to be the prince of darkness, the devil, the father of idolatry, the demon of impurity, the angel of lawlessness, and the ruler of the world. Belial as an evil spirit appears in a number of sources, from the Bible and Jewish apocryphal literature to modern Satanism

A: O, S. Compiled and edited by Asenath Mason, the book contains contributions from active magicians, students, and practitioners of the Left Hand Path: Rev Bill Duvendack, Edgar Kerval, Christiane Kliemann, Pairika-Eva Borowska, M. \Tree of Qliphoth\ is the third anthology by the Temple of Ascending Flame, exploring the dark side of the Qabalistic Tree as a map of Draconian Initiation. TZE. King, Calia van de Reyn,

Leonard Dewar, Mafra Lunanigra, N. Material included in this book will give the reader a foretaste of these forces and a glimpse of what you can expect while embarking on the self-initiatory journey through the labyrinths of the Dark Tree. Swan, and Zeis Araujo. In essays, rituals and other expressions of personal research and experience, magicians and initiates of the Draconian Tradition discuss the realms of the Nightside, teachings and gnosis of its dark denizens, as well as practical methods developed both within the Temple and through their individual work 472534ba27

This anthology contains all those portrayals of Hecate and many more, introducing the reader to the magic and mythology of this mysterious goddess. Edited and compiled by Asenath Mason, it includes essays and articles by Bill Duvendack, Mike Musoke, Denerah Erzebet, Keona Kai'Nathera, Edgar Kerval, Selene-Lilith vel Belayla Rakoczy, Roberto Ruiz Blum, Inara Cauldwell, Satoriel Abraxas, Noctulius Isaac, and a special contribution from Jack Grayle. She appears with torches in her hands, accompanied by howling dogs, serpents, and ghosts of the dead - terrifying retinue that roams the land under the cloak of the night. Hecate is a goddess of witchcraft, lunar magic, and necromancy. She is the first initiatrix, the psychopomp, and the sentinel who meets the aspiring Initiate at the Crossroads of the Worlds, leading us into the Womb of the Dragon through the gateways of the Nightside. In the Draconian Tradition, she is the guardian of the mystical point of crossing, where all worlds, planes, and dimensions meet and intersect. Initiation into her path involves the descent into inner darkness, the personal \"underworld,\" where knowledge of ourselves and our universe lies concealed, waiting to be rediscovered. She is benevolent and generous, both to nature and her worshippers, as well as ruthless and responsible for all nocturnal atrocities and rites of malefica. Her powers are many, and her cult involves both life and death - mystical transformation through the ultimate rite of passage and rebirth in the womb of the earth. In ancient times she was believed to endow witches with the power over the forces of nature, reveal secrets of herbs and poisonous plants, and introduce her followers to mysteries of lycanthropy and shape-shifting. Like the other anthologies by the Temple of Ascending Flame, all this is written from the perspective of the Draconian Initiate, involving a modern approach suitable for the practitioner of the Left Hand Path. Here you will find descriptions of personal gnosis revealed through the work of authors featured in this book, as well as references to her appearance in ancient lore and magic of old times 472534ba27

V, and Selene-Lilith. Compiled and edited by Asenath Mason, the book contains articles and contributions from Ahohlan Castart, Alisa Jones, Bill Duvendack, Edgar Kerval, Kai'Nathera, Katie Anderson, Leonard Dewar, Lucien von Wolfe, Mike King, Martha Gray, Nemo. Viewed both as a beautiful seductress and a ruthless demon, she is the Serpent in the Garden of Eden, the first woman, and the primary initiatrix into the mysteries of the dark side of the Qabalistic Tree of Life. This anthology brings together essays, rituals, and unique artwork dedicated to the Queen of the Night and the Dark Goddess of the Qliphoth. Her rites are the works of love and pain, sex and transgression, transcendence and immanence, for she exists at the roots of all desire of all humans past, present, and future. Spells and invocations, dream magic and guided meditations, visions and stories of intimate encounters with Lilith - all this is contained in this unique anthology, written from the perspective of the Left Hand Path and the Draconian Tradition. This archetype has never been fully grasped in its profundity and is constantly unfolding, challenging us to recognize our fears and passions and to transform them into tools of power. In this book you will find personal accounts of practitioners who ventured into the sacred and unholy garden of the Dark Queen of Sitra Ahra and returned transformed and empowered by her gnosis. Denied and rejected, worshipped and venerated, Lilith has been a part of the Western culture for ages 472534ba27

Like other anthologies by the Temple of Ascending Flame, it contains a unique view of the Spider Current, accessed and presented from the perspective of the Draconian Initiate. In Qliphothic Qabalah, she is the queen of dark labyrinths beneath the Cosmic Tree. Her web extends across the Void, bridging the gulf between the Dayside and Nightside, waking and dreaming, the conscious and unconscious. In the Draconian/Typhonian Tradition, the Spider Goddess is the Queen of Space and the Weaver of the Web in the Void. She is also the Weaver of Fate, and the spider as a symbol stands for the art of manipulation of destinies and the ability to maintain balance between past and future, spiritual and physical, creation and destruction. Her power is magical venom, which is deadly to mundane consciousness but essential in the formula of initiation as it triggers the process of transformation through the inner alchemy of the mind. These faces of the Spider Goddess and many more are explored in this book. Compiled and edited by Asenath Mason, it includes contributions by Denerah Erzebet, Keona Kai'Nathera, Charlie Demos, Edgar Kerval, David Weaver, Dario G. Her role and attributes are much more complex than what we know about her from ancient mythologies, where this archetype is known under such names as Arachne, Uttu, Anansi, the Spider Woman, Maya, and many others. As the Dark Initiatrix, she shows us how to gaze through the veil of illusion and access the Web of Fates, how to change and manipulate it at its roots, and by invoking her essence and absorbing her venom we ourselves acquire the power to weave it, thus becoming the true center of the universe and the very root of all manifestation. It is meant for other Draconian practitioners, but it also contains information that will be of interest to anyone who wants to explore the mysteries of the Spider in general. , and Lucath 472534ba27

"Noxobnia" is a collection of contemporary Left-Hand Path authors and their essays regarding various goddesses of the Left-Hand Path. A. The list of authors: Lukasz Grochocki, Linda Falorio, Bill Duvendack, Verónica Rivas, Asenath Mason, Sean Woodward, Abby Helasdottir, Thomas Karlsson, S. Anyone of any occult background will find not only value in these writings, but may also get hooked onto new authors. Connolly, Humberto Maggi, Leonard Dewar, Kazim, Asbjorn Torvol, J. Perez, Sarah-Jayne Farrer, Fr. It is a little more than that, though, as many of these goddesses may not seem of that alignment. Arzaq, and Edgar Kerval. Themes of articles contained here include Baba Yaga, Emme Ya, Triple Moon Goddess, Kurukulla, Mandaean Cosmology, Seshat, Lilith, the Fates, and many more. In that way, "Noxobnia" is a collection of views on Left-Hand Path and dark goddesses, and in this context, dark is the unknown. Also contained in this anthology are pieces of art and rituals that can be used to get to know these ancient spirits better 472534ba27

"Vovin" is a unique contribution to the Left Hand Path and the Draconian tradition. Instead, you will see not only an analysis of the temple itself, but also personal gnosis that was gained through working the temple's system. Many people have written their occult autobiographies throughout the years, but virtually none have focused on the gnosis they gained through working the system of the temple. Even then, this work is set apart due to the fact that what is being written about is an active temple, and not one that is a footnote in a magical history book. In this way, it is not just a memoirs, rather it is closer to a manifesto. Most authors are content to share their amazing magick tales, and be done with it, but here you find very little of that. If you want to get to know Denerah more, and get a glimpse of what gnosis is possible through working with the material of the Temple of Ascending Flame, turn the page and enjoy the text. In these pages you will find a first-hand account

of the transformative power of the Temple of Ascending Flame 472534ba27

This book will also guide you through the process of Kundalini awakening, discussing symptoms and providing exercises that will help you in your individual practice. Each practice is provided with background information, explaining the purpose and possible ways in which it may affect your initiatory process. The book includes the Introduction and Lexicon by Bill Duvendack. You will find here invocations and evocations, meditations and trances, exercises for cleansing, grounding, and raising the inner Serpent Force. Finally, you will find here a ritual of self-initiation into the Draconian current. With this book you will learn how to start your practice on the Path of the Dragon, establish contact with gods and spirits that will assist you in this work, build your personal temple, prepare tools for your rituals, and design your own workings and exercises. Practices such as blood sacrifice and sex magic are discussed in a practical way as well. \"Draconian Ritual Book\" will introduce you into foundations and practical methods of Draconian magic as a path of self-initiation. If you are a beginner to Draconian magic, this book will teach you where to start and help you understand the basics of the initiatory process, while more advanced practitioners will find here practical instructions and information on how to develop and expand their work on the Path of the Dragon. There are instructions that will help you in your astral travels and dream magic, teach you how to work with seals and sigils, enhance your magical senses, and show you how to use gates and doorways to the Other Side. You will read here about the Draconian Tradition, as well as the Left Hand Path in general, learning what it means to be a Draconian Initiate 472534ba27

Feared by the faint-hearted and worshipped by those who sought power, he has become a symbol of storm and change, movement and transformation, force and energy. His forked knife cuts attachments to the surrounding world, liberating the initiate from bonds of slavery and mindless ignorance, and his scepter represents authority and power, showing us how to devour our gods and be the masters of our destiny. We will look into his origins, ancient myths and legends, and modern interpretations of his role on the Left Hand Path - all this written from the perspective of the Draconian Tradition. His fiery nature represents lust and fury, which is the driving force on the path, and his Black Flame is the inner spark of Godhood that successively becomes the fiery pillar of ascent on the path of self-initiation. These portrayals of Set and many more are the subject of this anthology. Compiled and edited by Asenath Mason & Bill Duvendack, with contributions from Edgar Kerval. Here you will find glimpses into his mysteries, provided by active practitioners of Draconian magic and initiates of the Left Hand Path. Ghallego-Iglesias & special contribution by Michael W. As a self-created god, Set is a powerful archetype of the Adversary and an attractive model for a practitioner seeking initiation into mysteries of self-deification. Essays and poetry, portraits and sigil art, rituals and meditations - all these contribute to the portrayal of Set as a god that is still alive and active in modern times, perhaps even more than ever before. A one-stop reference for the Egyptian god Anubis, this book looks at history, archetypes, tools, and rituals of him 472534ba27

The second section, The Children of Tiamat, presents ways of working with each of the eleven demon-gods, prefaced with an explanation of the techniques that follow and the use of the Key of Night, a master sigil that is employed throughout the workings as a way to access the Nightside. Tiamat is the Primal Dragon Goddess, the first one, who gave birth to the gods of the universe, the Mother of Everything, the self-procreating womb, the source of all life and all manifestation. The work described in this book was inspired by the Babylonian epic known as the "Enuma Elish," one of the oldest Creation myths in the world. The book is divided into three sections: first, a lengthy introduction of the theme and cosmology, followed by individual workings for each of the eleven demon-gods, and then a concluding appendix of thematically related workings focusing directly on Tiamat and Kingu. The Grimoire of Tiamat presents a complete system of magick based around the Mesopotamian primordial goddess Tiamat and the eleven demons she created to aid her in her fight against the new order of gods lead by Marduk. The final section of The Grimoire of Tiamat is an appendix that returns the focus to Tiamat as it takes the form of a guided meditation within the waters of Tiamat, a ritual for two participants invoking Tiamat and Kingu, a rite of malefica, and a discussion of the underworld in Mesopotamian belief, followed by a chthonic guided path working

Accelerate your ascent with a complete catalog of uncensored grimoires by the world's leading Qliphothic Magicians, Asenath Mason & Bill Duvendack, available exclusively with Become A Living God. He regularly teaches classes on magick, astrology, and modern spirituality internationally. Over 14 enlightening sections, you'll discover the hidden truth about Lucifer's masks, titles, and attributes, and enter gnosis with the deities, spirits, and magical figures related to the Luciferian ethos and symbolism. Explore the key masks of Lucifer the Light-bearer and connect with his eleven most inspiring god-forms for self-initiation in the Draconian Current on the Path of the Dragon. Author of books and essays on esoteric, religious and mythological subjects, with a particular focus on the Left Hand Path philosophy, Luciferian Spirituality and Draconian Tradition. The idea behind this book is to present the Luciferian archetype and its role in the development of human consciousness across the ages and in various cultures and societies, focusing on those aspects that are relevant to the Draconian current and can be used in the self-initiatory process on the Path of the Dragon. You'll explore the manifestations of the archetype in ancient cultural contexts, learning the roots of popular legends and folklore, and finding the similarities and differences between Luciferian characters around the world. He is the author of popular titles such as Qliphothic Astrology, The Enochian Chronicles, and more. The definitive motto of human transcendence, Become A Living God welcomes magicians to maximize their individuality, freedom, and personal power in this lifetime. As an active practitioner of Occult Arts, she is founder of the Temple of Ascending Flame. Asenath Mason is an occult writer and clairvoyant artist. You'll find the eleven god-forms each representing a different aspect of the archetype below: - Prometheus, the Bringer of Fire - Melek Taus, the Peacock Angel - Attar, the Son of the Dawn - Shemyaza, the Serpent Angel - Samael, the Prince of Darkness - Lucifuge Rofocale, the Lord of the Night - Lugh, the Shining One - Shiva, the Lord of the Trident - Azazel, the Lord of Transgression - Pan, the Horned One - Janus, the Keeper of the Gates Each chapter contains an introduction to the mythology of the chosen god or spirit, explaining why they can be considered a Luciferian archetype, a sigil that will help you attune yourself to their current, a guided meditation that will take you on a self-initiatory journey within their realm, and invocation in which you will learn how to assume the god-form and absorb their powers and qualities. Her many popular titles include The Qliphothic Trilogy, Rituals of Pleasure, The Book of Mephisto, Oraculum Leviathan, and many more. Ignite the magical fire of Luciferian Gnosis with a modern grimoire of the Left Hand Path by world-leading Qliphothic Magicians, Asenath Mason and Bill Duvendack. Topics include Leviathan, Cain, Naamah, Apep, Sacred Sexuality, and Sorath, to name but a few. It closed by the end of 2012, giving way to the Temple of Ascending Flame, which is now the leading platform for magicians working with the Draconian Tradition. However, if you are beyond the beginner stage, you may also find this volume of particular note because it is a collection of previously out of print material from hard to find sources that address the Left Hand Path. If you're looking for a good place to begin when it comes to the Left Hand Path, you will find such a place within this book. Lodge Magan, located in Poland, was active in the years 2002-2012. The majority of them have an introductory character, explaining the basics of the Left Hand Path and its concepts, but there are also essays that refer to less known esoteric subjects. These include both philosophical aspects of the Left Hand Path and their practical application - rituals, meditations and descriptions of personal gnosis. With the growing interest in the Draconian Tradition and self-initiatory LHP magic, we have decided to revise this material and make it available again. Essays gathered in this book were written by members of Lodge Magan in the years 2002-2010 and are derived from Dragon's Blood magazine and other publications that were originally released at that time. This is a true gem for the serious practitioner. In addition to early writings from Asenath Mason, this volume contains many other articles from various authors and practitioners of the Draconian Tradition over the years. Contained between these covers are essays and articles that include information that can help clarify Left Hand Path topics for the beginner

This tome also includes two new spreads that can be used to work with the deck and connect with its symbolism. This book is an extensive study of the Oraculum Leviathan tarot deck, based on the work of a subgroup within the Temple of Ascending Flame in the years 2021-2023. In this book, you will find this journey described in detail, explaining how the particular cards can be related to concepts and ideas within the magic of the Dark Tree. The descriptions of the Major Arcana include the explanation of the symbolism used in each card, their number, the Hebrew letter associated with it, and the corresponding pathway in the Tunnels of Set. The Minor Arcana, which present less complex concepts, are explained in regard to their symbolism and the possible meaning in a reading. Oraculum Leviathan is unique among other decks because it is specifically addressed to a practitioner of Draconian magic and its main theme is built around the initiatory journey through the Tree of Qliphoth. Instead of presenting a generic view of the tarot, this study book goes deep into the meaning of each card, providing an advanced course for those who truly want to use Oraculum Leviathan as a self-initiatory tool 472534ba27
