

Identification Ew Kenyon

It means our complete union with Jesus in His substitutionary sacrifice. He became as we were so that we might be as He is now. \ It will be the end of our spiritual weakness and failure. What does Identification mean. We will no longer struggle for faith, for all things are already ours. These teachings unveil who we are in Christ and how the Father sees us in the Son. When these truths really gain the ascendancy in our lives, they will make us spiritual \supermen. We will no longer feel the awful bondage of sin-consciousness, for we are the righteousness of God in Christ. It unveils to us what God did for us in Christ from the time He went to the cross until He sat down at the right hand of the Father. We will no longer pray for power, for Christ is in us. The vital aspect of redemption is what the Holy Spirit, through the Word, is doing in us now. Christ became one with us in sin so that we might become one with Him in righteousness. The teaching of Identification is the \legal\ side of redemption. In identification, we have one of the richest phases of redemption. There is a twofold oneness: first, His oneness with our sin and humanity on the cross; second, our oneness with Him in His glory on the throne 73f8a92827

\Examines gift of healing that Jesus demonstrated in the New Testament and suggests Scriptures to assist modern Christians to discover healing for themselves\-- 73f8a92827

Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God. \The Greatest is Love. It is well documented and written in easy-to-understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way, and to develop a real-world perspective of Christianity; a must-read for all who profess to be Christian. \ God wants us to love our neighbors. The author searches for truth and explores real world issues concerning Christians throughout history and today, and the future of Christianity in this ever-changing world. If this is the premise of being Christian, then why do thousands of denominations claim to be the \right and true\ one, implying that all others are false. This book contains many facts and true stories, some you might recognize and some from the author's own life, as he logically discusses controversial subjects such as a Perfect Bible, sex, lying, killing, ethics, Christian leadership, Bible-thumping judgment, and women's rights 73f8a92827

This book challenges, with several powerful arguments, some of our deepest beliefs about rationality, morality, and personal identity. The author claims that we have a false view of our own nature; that it is often rational to act against our own best interests; that most of us have moral views that are directly self-defeating; and that, when we consider future generations the conclusions will often be disturbing. He concludes that moral non-religious moral philosophy is a young subject, with a promising but unpredictable future 73f8a92827

Some revere it. For Christians, it identifies who they are. The Name of Jesus. The Bible says that all Heaven, earth, and hell respond to the Name of Jesus. It's known to people everywhere. Others use it as an oath 73f8a92827

This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products. This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation 73f8a92827

Every young person should read this book; it will stir ambition in the hearts of young men and women 73f8a92827

2. We might understand this difference intellectually. To help us live in this reality, we must actively exercise faith rather than \"hope.\" You never receive what you are \"hoping\" for. To believe is to step up to what God has said in His Word, and to have faith is to arrive there. Many whose prayer lives were ineffective have turned to philosophical and metaphysical cults. Read it expecting the Holy Spirit to reveal principles that are easily applicable to your life situations, bringing powerful results because the Word of God is true and practical. As we become one with the Living Word in our actions, faith will become an unconscious reality for us. \"Sense knowledge\" faith, where we must see, hear, or touch to believe. Some people lose faith altogether when they feel God has not heard their requests. No matter what we may think or feel in the natural, God's Word is true, and it is the only foundation for faith. Real faith means acting on the Word, independent of any physical evidence. Step Up to What God Has Said in His Word The Two Kinds of Faith explains directly from the Scriptures what real faith is. We will only think of the need before us and God's ability to meet it. Hope is always in the future. But faith is now. Unanswered prayers stand between the believer and a life of faith. What are the two kinds of faith. We will never need to struggle to produce faith. Yet if we're not actually applying it in our everyday lives, it can have serious consequences for our relationship with God and the effectiveness of our prayers. 1. Real faith, where we do not see, hear, or touch, yet we believe--and receive. This book is a must-read for anybody who desires a deeper walk with God 73f8a92827

Jarrett shares the results of her research on the knowledge of the blood sacrifice of Jesus. The power of the blood—Jesus' blood sacrificed on the cross—plays an important role in Christian beliefs. This book explains why the subject of the blood sacrifice of Jesus must be given its place of honor and recognition in order for us to become true worshippers and in a position to realize all its benefits and value. In Covered by the Blood of Jesus author Rita Y. Or why God chose it as the cornerstone of Christianity. The blood of Jesus is a divine entity, something with a real existence, and has all the attributes of the names and titles of the Lord. Jarrett provides you with all the information needed to give it its proper place in your faith. Learn why the blood of Jesus was the only medium of exchange qualified to save all humankind and provide salvation and redemption for the sin of the world. His blood, still

alive and active, is our way back to our original place and position with God. But when you actually think about it, do you know why it's important 73f8a92827

"--E. W. Kenyon fully describes biblical righteousness. But far too many believers remain in that shameful state of sin condemnation because the church has neglected to proclaim who we are in Christ, that righteousness is not reserved for someday in heaven--it is available to us now. "The instant a man knows that he is the righteousness of God in Christ, and knows what that righteousness means, Satan is defeated. The church has been good at teaching about man's need of righteousness, his weakness and his inability to please God. The supreme need of the church at this hour is to know who we are in Christ, to fully comprehend how the Father Himself looks upon us, and to walk in the knowledge that righteousness can be ours today. W. If you live a life of weakness and defeat, it is because you do not know what you are in Christ. Unless you know who you are, and what you are in Christ, you cannot live a victorious life; Satan, sin, and disease will be your masters. Kenyon In this classic Christian work, legendary Bible teacher E. Righteousness is the ability to stand in the presence of God without any sense of guilt or inferiority 73f8a92827

"A Different Gospel," a book for the heart and the mind, is must reading for those who seek reliable information about the "Word of Faith" movement. McConnell warns of the movement's cultic nature in its doctrine of healing and its understanding of the atonement and demonstrates how far the movement's doctrine of prosperity is from Scripture's true teaching. R. The author knows the movement first hand and has a heart for those snared by it. He is also an academically trained observer who has based his work on careful historical and biblical analysis. Every Christian should read this book in order to be aware of the dangerous implications of the widespread and cultic "Word of Faith" movement preaching what is popularly known as "Name It and Claim It" theology. This new and revised edition is complete with a foreword by Hank Hanegraaff, author of "Christianity in Crisis," and a new afterward by D. "A Different Gospel" is a bold and revealing examination of the biblical and historical basis of this movement. McConnell 73f8a92827

Legendary Bible teacher E. But Paul's Epistles give us the risen triumphant One, the conqueror of death, sin, and Satan. W. Christianity has revealed the secret that psychologists have long sought--the "inward soul," the re-created spirit, the focus of God's great redemptive work on earth. He provides the revelation of what happened on the cross and in the tomb, and how that affects who and what we are in Christ today. The four Gospels give us a wonderful picture of the lonely man of Galilee, the humble Messiah who ends His earthly walk on Calvary. Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ, which made possible the new creation, a new race of men and women who can stand in God's presence without a sense of guilt, condemnation, or inferiority 73f8a92827

We belittle our redemption and magnify our failures. Kenyon explains What We Are in Christ and what this means from heaven's point of view. "We are in Him now, seated in the highest place in the universe, and all it requires is simple faith on our part to bring the power of God to bear upon our needs, whether for spirit, soul, body, finances or deliverance,"

Kenyon says. The expression \"in Christ\" is one of the key phrases in the Epistles. SATAN HAS NO POWER WHEN WE ARE IN CHRIST. God is our ally no matter what our circumstances. Our weakness is ever with us. However, many of us find that who we were before we found Christ so dominates our minds that we forget we are now in Him. No matter where you are in your faith journey, you will find reassurance and joy when you realize What We Are in Christ. We have the \"cross\" religion, rather than the resurrected life of the Son of God. With love, patience, and grace, legendary Bible teacher E. W 73f8a92827

However, many do not consider the spiritual dimensions of his suffering, and some may not know why Jesus had to die and why he had to die on a cross. The cross of Jesus Christ is the single most important event in the history of humanity, and it is a demonstration of God's love for all of humankind. Many have read and have heard about the cross on which Jesus died, and Christians around the world celebrate Easter by recalling the sufferings Jesus went through on the cross. The cross carries a power that can be activated and is available for anyone who will hear, receive, and take the necessary steps that Christ has shared in his gospel of salvation. In The Cross of Jesus Christ, author Chukwugoziem Onianwah offers an in-depth study that brings to light some of the truths about the incarnation, death, and resurrection of Jesus Christ 73f8a92827

why His death on the cross was necessary. This is the miracle of redemption and the miracle of New Creation. Now, legendary Bible teacher E. Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not know why the incarnation was important, or that it even was an incarnation. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Until God revealed these truths to the apostle Paul, no one understood why Christ came. or what exactly occurred in the tomb. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. W. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. All they could see was the undeserved suffering of their friend and rabbi 73f8a92827

If you lack anything, tend to be your own worst enemy, or fail to accomplish what you say you will do, then this book will show you how to: Have strong faith Live in the positive Possess what you confess There is nothing that equals the power of your words. W. The new covenant, between God and every believer, is sealed with the blood of Jesus Christ. Legendary Bible teacher Dr. The Blood Covenant brings all the power, victory, and miracles of God into the everyday life of the believer. The old covenant, between God and Abraham, was sealed by circumcision. Kenyon unveils the meaning and miracles available to every Christian through a complete understanding of The Blood Covenant. The Bible is composed of two covenants, or agreements. E. As you understand your rights as a Christian stemming from this covenant, you will experience an incredible boost to your walk of faith as you lay hold of amazing blessings 73f8a92827

\ " But many Christians don't know how to win souls for their Savior. We are selling the greatest thing in the world. \ " Our time is not our own, but belongs to the Lord. Jesus made it clear that we are to bring others to His Father. Legendary Bible teacher E. He takes readers through all possible scenarios of reaching the lost, from those who have false hopes to the indifferent, from the skeptical to those who have broken fellowship with the church. Kenyon offers a solution in Personal Evangelism: 22 Lessons to Effectively Share the Gospel. The man you lead to Christ may become a key man in some community, turning a whole section of men to Christ. W. \ "Until soul winning becomes the business of our life, we will not lead many from darkness to light,\ " Kenyon says. They are too timid to speak out, don't know what to say, or don't want to offend anyone. SOUL WINNING IS OUR BUSINESS. He said, \ "Follow me, and I will make you fishers of men. The joy that it gives to the one who finds Christ, the blessings that go into the home, can never be estimated. When we evangelize to snatch souls from the hands of the enemy, we give them strength, joy, and success, and obtain more stars in our own heavenly crown. \ "Soul winning is the art of arts 73f8a92827

The teaching of Kenyon, Hagin and Copeland that Jesus 'died spiritually' (JDS) is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects, and thus draw the latter away from its moorings in traditional Christianity 73f8a92827
