

Module Title Global Business Environment

Business model Knowledge Management Module at Bangor University, Wales. 2010. The model describes the specific way in which the business conducts itself, spends, and earns money in a way that generates profit.

A business model describes how a business organization creates, delivers, and captures value, in economic, social, cultural or other contexts. The process of business model construction and modification is also called business model innovation and forms a part of business strategy. Environment-Strategy-Structure-Operations (ESSO) Business Model. Planning 43 216–226 Lim, M 5850304631
