AGA's CGFM study guide 2 covers the general principles and unique aspects of federal, state and local governmental accounting, financial reporting and budgeting. This publication is designed as a comprehensive guide for those who wish to advance their knowledge of government financial management and help candidates prepare for the Certified Government Financial Manager (CGFM) examination 2 5e1c9e0dde

This study guide has been updated to incorporate changes up to and including Federal Acquisition Circular 2021-06. The CFCM Study Guide is designed to assist candidates in reading the FAR by summarizing each part and highlighting critical definitions and information. Therefore, they are not the actual exam questions. Check National Contract Management's website for additional information about what is covered on the CFCM examination. It is intended as a detailed study outline of the main topics within each FAR part and includes specific references. The CFCM Study Guide provides references to specific thresholds, limitations, and requirements. Use the citations provided in the guide to find the most up-to-date thresholds in the FAR. Each subchapter section contains a brief “at a glance” summary of the FAR parts contained in that subchapter followed by a more in-depth summary of each part. The CFCM Study Guide comes with a full CFCM practice exam at the end of the book as well as an answer key to self-grade your responses. As noted, the questions on the practice exam may resemble those on the examination but were developed independently of the actual exam. The 4th Edition is divided by FAR subchapters A–H. Memorization of the practice exam questions and answers is not sufficient preparation for the examination. As stated above, CFCM candidates are responsible for updates 5e1c9e0dde
