The burial chamber was found in 1922, but was not opened until a year

later. Two years passed between the discovery of the tomb and that of the mummy and its famous death mask. The discovery of the tomb as a whole was one of the most significant and famous archaeological discoveries in modern times. There has been much speculation about the king's life and cause of death since very little information about him is known.

Dragon (Dungeons & Dragons) As a group, D&D dragons are loosely based on dragons from a wide range of fictional and mythological sources. Dungeons & Dragons allows players to fight the fictional dragons in the game (Tiamat being one of the most notable) and "slay their psychic dragons" as well. These dragons, specifically their "dungeon ecology", have implications for the literary theory of fantasy writing. D&D dragons also featured as targets of the moral panic surrounding the game. companion and ready protector in the topaz dragon.
