Centralized discussion ef35174c0b This article is in sorry shape, and will require a rewrite. Basically everything failed verification, but that's not an AfD-worthy offense. I nominate this for deletion because I don't believe either company here (because I have found nothing indicating that these two are in any way related) is notable enough for me to actually do said rewrite. For Board Administration, there is this, already in the article, that mentions the company exists and has a couple of client; this, also in the article, that mentions Wale founded this company along with a few other people; and this, discussing how the company and one of its clients fell out with each other.
